DEVELOPMENTS
experience is everything™

The square footage is calculated from the outside dimensions of the building on the first and second floors and includes the finished area in the basement if applicable. Garages, attics and unfinished areas in the basement are not included in the calculations. All dimensions and specifications are approximate and subject to change without notice. Side door and/or Garage Man door deleted if grade does not permit. All models subject to Architectural Control review and changes. E&OE. September 21, 2026
